2026 Beneficiary Application

Each year A Vintage Affair raises and distributes funds to local charitable agencies devoted to the overall well-being of women and children in Williamson County. We ask that selected Beneficiaries assist AVA in its fundraising activities by volunteering and assisting in other ways. Due to grant funding being limited and highly dependent on community involvement throughout the given year, some qualified proposals may not receive the entire amount requested.

Applications must be received by the date as provided on the cover page of the Beneficiary Application. Additional pages may be used, as needed, to fully respond to the questions and information requests outlined below. All applications will be reviewed by the AVA Beneficiary Committee and approved by the AVA Executive Board of Directors. Selected beneficiaries will be notified by email or mail by December 31st, 2025.

If your responses require more space than provided, please provide additional explanations to the application.
